

2007-00134,

believe that Kentucky American Water's proposed
ol 3 on the Kentucky River to Newtown Pike in Fayette
st cost solution to the water needs of Central Kentucky.
not believe that a private for-profit company should
y from the destruction of my property or my neighbor's

ns of Central Kentucky deserve a long-term solution to

Utilization of a larger water body, such as the Ohio
g existing utility corridors makes the most sense
ironmentally, and aesthetically.
